

Volunteer Position...

Volunteer Job Title: workplace training support

Contact Person: Amanda Marshall, Manager

Age preference: over 18

Male Female Either

Qualifications/Skills required:

empathy, experience in a workplace; ability to mentor young people; ability to engage with young people; willingness to be part of a team. Capacity to also work independently. Volunteer will require a current Police Check, Working With Children card and two nominated referees. KHG staff can provide guidance with these applications.

Days/Times service is required: one morning or afternoon each week

Volunteer duties:

You will provide support for the teamleader in developing workplace skills for young people with disability. This may involve taking part in training tasks relating to any workplace, or be specific to horticulture.

You will be prepared to work under the guidance of the teamleader but have a capacity to work positively and independently with trainees as directed. You will understand the focus is on developing strong workplace skills in a supportive and encouraging environment. You will be willing to take up relevant training, specific to the role.

Please contact KHG for further information
